

TXCRDC

TEXAS CENSUS RESEARCH DATA CENTER

Opportunities for Research Using Restricted Data*

The UTSA Office of the Vice President for Research is exploring renewing our membership in the Texas Census Research Data Center (TXCRDC) Consortium, which allows UTSA faculty and graduate students to use the restricted data at the TXCRDC. This information session (two offerings) will inform faculty and university leadership of the benefit that this resource is to academia.

Tuesday, January 16, 2018

Morning Session | Main Campus
