

***Dr. Reggie Brothers***

Principal, The Chertoff Group

### **MULTI-DISCIPLINARY FACETS OF NATIONAL SECURITY**

---

January 30, 10:00 am - 11:30 am  
JPL Assembly Room (JPL 4.04.22)

---

On behalf of UTSA Research, you are invited to attend an upcoming lecture by **Dr. Reggie Brothers**, Principal at The Chertoff Group and former Under Secretary for Science and Technology at the Department of Homeland Security. His areas of focus include: science and technology for homeland security and defense; corporate strategic planning; critical infrastructure risk assessments; and crisis and risk management.

Don't miss the opportunity to hear a dynamic and engaging speaker on the topic of national security! All disciplines and colleges are welcome to attend this free event.

**Registration:**
