# TEXAS CENSUS RESEARCH DATA CENTER

Opportunities for Research Using Restricted Data

UTSA is a member of the Texas Census Research Data Center (TXCRDC) Consortium, which allows UTSA faculty and graduate students to use the restricted data housed at the TXCRDC. This information session will provide guidance on how researchers can access and benefit from this resource.

**Dr. Mark Fossett**

Director, Texas Census Research Data Center

**February 18, 2019**

**11am–12pm**

**Faculty Center Large Conference Room,  
JPL 4.04.12C**

**Types of restricted data available through this site include:**
