Thursday, March 26, 2020 | 3:00PM-5:00 PM
Friday, March 27, 2020 | 9:30AM-11:30 AM

Webex*

This session will cover how to successfully compete for funding from Mission Agencies.
By attending this course, you will:

1. Learn how mission agencies, such as DOE, USDA, DoD and DOT, are different from fundamental research agencies such as NSF and NIH
 2. Learn how mission agencies are organized, and how to determine which programs would be interested in funding your research
 3. Understand how to approach mission agencies
 4. Understand how to position yourself to be competitive
