**Friday, February 7, 2020 | 1:30PM-3:00PM**

**UTSA Main Campus  
JPL Assembly Room (JPL 4.04.22)**

---

This presentation and panel discussion are designed to help faculty understand NSF's Faculty Early Career Development Program (CAREER). The panel will consist of NSF CAREER awardees and/or reviewers who will be on hand to answer questions and suggest strategies for enhancing CAREER proposals.

By attending this session, you will:

1. Understand the different approaches and resources available to pursue an NSF CAREER grant
  2. Better understand CAREER program requirements
  3. Learn best practices from CAREER awardees and/or reviewers
