

Improving Grantsmanship:

Individual Coaching and Consultations

Friday, February 7, 2020

8:30-12:30pm and 3:15-5:15pm

(45 minute sessions)

JPL Faculty Center

Dr. Warren Burggren, a consultant with Global Proposal Solutions, LLC., will be visiting campus to conduct individual 45 minute one-on-one consultations. These sessions can be useful for faculty from any discipline who are at any stage of grant proposal development.

He will be pleased to assist with:

- Helping you develop your basic ideas for a research proposal
- Assisting in outlining the basic elements of your proposal
- Help develop a proposal writing process personalized to your working habits
- Discussing the best way to organize collaborations
- Suggesting funding sources to pursue

Many UTSA faculty from a wide variety of disciplines have been assisted by Dr. Burggren in developing their proposals. Don't miss out on this great opportunity to enhance your research program!
