

Gen AI Workshop

FRIDAY, FEBRUARY 14, 2020

12:30PM - 3:00PM

JPL 4.04.12C, UTSA MAIN

LUNCH PROVIDED

The mission of Gen AI is to expose UTSA students at all levels (undergraduate to graduate), across all disciplines to the power of data analytics, data visualization, machine learning and artificial intelligence. This workshop will introduce the Gen AI program, provide examples of Gen AI lessons, and answer any questions that you might have about preparing a GenAI lesson for your course.
