

NEW FACULTY WORKSHOP

Beyond Boundaries: Building Transdisciplinary Research Partnerships

11:00 am - 12:00 pm | Thursday, October 2, 2025

In-Person: John Peace Library | Assembly Room | 4.04.22

Presented by: Siobhan Fleming, Ph.D.

Assistant Vice President, Strategic Research Initiatives

This workshop for new faculty is designed to help foster innovation and collaboration across departments. We will introduce the concept and value of transdisciplinary research, highlight successful examples of cross-disciplinary partnerships, provide practical strategies for initiating and sustaining collaborations and connect new faculty with potential partners and institutional resources.
