

GENERATING RESEARCH: RESEARCH ENABLERS

NSF CAREER AWARDEES PANEL

2:00 pm - 3:00 pm | Wednesday, February 11, 2026

VIA ZOOM

Presented by: Past NSF CAREER Awardees & Marissa Mexquitic, Research Program Coordinator, Strategic Research Initiatives, Office for Research and Innovation

Please join us for a live panel discussion from past NSF CAREER awardees! In this session, we will discuss some of the opportunities and challenges associated with the National Science Foundation CAREER program as well as how receiving the CAREER award has advanced their career trajectory.

Please email Scholarly.Awards@utsa.edu with questions regarding the information session and the NSF CAREER program.
