

POSITIONING YOURSELF FOR RESEARCH

2:00 pm - 3:30 pm | Thursday, September 25, 2025

VIA ZOOM

No one wakes up one day and is automatically successful at writing competitive grant proposals. It takes getting ready and positioning oneself to win. Based on the work of David Stone, this workshop will allow faculty to reflect on multiple aspects of what it takes to be successful in winning competitive grants.

Presented by: Richard H. Nader, PhD, Global Proposal Solutions
