

UT San Antonio™
The University of Texas at San Antonio

SPACE TECHNOLOGY STUDENT POSTER DAY

Wednesday
October 1, 2025
11 AM - 1 PM

BSE Atrium

1.100

Biotechnology Sciences and
Engineering Building

Join us for an exciting day of innovation, discovery, and exploration in space and space-adjacent technology!

Hosted by the UTSA Center for Space Technology and Operation Research (CSTOR), this event will highlight bold ideas from student researchers shaping the future of space!

Don't miss this opportunity to connect with others passionate about space and technology.
