

## DEVELOPING RESEARCHERS: PERSONAL DEVELOPMENT/SKILLS

# CRAFTING YOUR RESEARCH PHILOSOPHY: DEFINING PURPOSE, PRACTICE & IMPACT

**12:00 PM to 1:30 PM | Thursday, January 22, 2026**

**Virtual - ZOOM**

*Presented by:*

*Judith Verdon, DBA  
Wellsprings  
Organizational  
Development  
Consulting*

*Norma Guerra, Ph.D.,  
Engaged Leadership  
Development*

This hands-on session helps participants discover and articulate the “why” behind their scholarly work. Through guided reflection, discussion, and a step-by-step template, we’ll explore what shapes our research philosophies, our assumptions about knowledge, our approach to inquiry, and the impact we hope to make. Participants will leave with a clear framework and strong start on their own research philosophy statement—something that not only captures what they do, but why it matters.
