Virtual: Zoom

Presented by: Lyndsey Lepovitz, Research Program Coordinator, Internal Funding, Strategic Research Initiatives, Office for Research and Innovation

Join the Office for Research and Innovation and our SwRI partners as we discuss the application and award requirements for the Connect internal funding opportunity. This session will double as a program overview and networking event for faculty interested in forming teams and applying to the cyclical program.

We welcome faculty from all academic colleges and disciplines across UT San Antonio and have invited our partners at the Southwest Research Institute for networking.
