

From Agreements to Innovation: Research Contracts

12:00 PM to 1:00 PM | Wednesday, October 7, 2026

Virtual: ZOOM

Presented by: Steffen Ngo, Contract Negotiator II, Contract Industrial Agreements

This workshop introduces new faculty to the key legal and operational aspects of managing research partnerships and sponsored projects. Participants will gain an overview of research and sponsored project agreements, including contract types, negotiation processes, key terms and conditions, and institutional considerations that support successful collaborations.

By the end of the workshop, faculty will better understand how to navigate research contracts, manage compliance and operational requirements, and leverage institutional resources to support the development, negotiation, and administration of research agreements.
