LEVERAGING AND MAXIMIZING FACULTY INSIGHT DATA

11:00 AM (CT) | Friday, November 10, 2023

1:00 PM (CT) | Monday, November 13, 2023

ZOOM SESSION - LINK SENT VIA EMAIL TO REGISTRANTS

Caroline Alikonis, Senior Account Manager & Team Lead, Client Engagement, Academic Analytics

Participants will learn to augment the pre-populated data in their Faculty Insight profiles. There will be a demonstration of how individual faculty members can identify (1) internal and external subject matter experts, (2) funding and honorific award opportunities, and (3) potential collaborators. In addition, a demonstration of UTSA's external discovery site will also be provided to reinforce how it is built upon the information curated in Faculty Insight.

Please contact **Dr. Siobhan Fleming** Siobhan.Fleming@utsa.edu for more information.
