

HOW TO COMPETE FOR FUNDING FROM THE NATIONAL SCIENCE FOUNDATION

2:00 pm - 4:00 pm | Tuesday, February 13, 2024

VIA ZOOM

Presented by: **Lucy Deckard**, Academic Research Funding Strategies

Consultant Lucy Deckard established Academic Research Funding Strategies, LLC in 2010. She has helped to develop successful proposals to NSF, NIH, the Department of Education, the Department of Defense, and other agencies and foundations, including proposals for large institutional and center-level grants.

Webinar on the National Science Foundation (NSF) covering the agency's mission, funding priorities, how NSF is organized, how proposals are reviewed, the types of projects funded by NSF, and a short overview of how to write an NSF proposal.

Please contact **[Siobhan Fleming](#)** for more information.

REGISTRATION IS REQUIRED:
