

PURSUING FUNDING IN THE HUMANITIES AND HUMANITISTIC SOCIAL SCIENCES

10:30 am - 12:30 pm | Thursday, September 26, 2024

VIA ZOOM

Online workshop on the types of funding available to support research in the humanities and humanities-related social sciences and how to compete for them. The webinar focuses on how to compete for grants from the NEH, NEA, private foundations and grants to travel to collections and libraries.

Presented by: **Lucy Deckard, Academic Research Funding Strategies**

Consultant Lucy Deckard established Academic Research Funding Strategies, LLC in 2010. She has helped to develop successful proposals to NSF, NIH, the Department of Education, the Department of Defense, and other agencies and foundations, including proposals for large institutional and center-level grants.
