

COMPETING FOR FUNDING FROM THE NATIONAL INSTITUTES OF HEALTH

1:00 pm - 3:00 pm | Tuesday, February 18, 2025

VIA ZOOM

Webinar on the NIH covering the agency's organization, mission, funding mechanisms, priorities, planning your project, and short overview of how to write an NIH proposal. Includes a panel of NIH awardees.

Presented by: **Lucy Deckard, Academic Research Funding Strategies**

Consultant Lucy Deckard established Academic Research Funding Strategies, LLC in 2010. She has helped to develop successful proposals to NSF, NIH, the Department of Education, the Department of Defense, and other agencies and foundations, including proposals for large institutional and center-level grants.
