

WORKSHOP FOR NEW FACULTY: FUNDING YOUR RESEARCH - HOW TO GET STARTED

1:00 pm - 3:00 pm | Tuesday, October 29, 2024

VIA ZOOM

Webinar for new faculty covering strategies for developing a research agenda, identifying and analyzing funding opportunities, understanding funding agencies, creating a funding plan, and recruiting mentors and collaborators.

Presented by: **Lucy Deckard**, Academic Research Funding Strategies

Consultant Lucy Deckard established Academic Research Funding Strategies, LLC in 2010. She has helped to develop successful proposals to NSF, NIH, the Department of Education, the Department of Defense, and other agencies and foundations, including proposals for large institutional and center-level grants.
