

RESEARCH PORTFOLIO ASSESSMENT: IDENTIFYING NEW FUNDING OPPORTUNITIES PORTFOLIO ANALYSIS

2:00 pm - 3:30 pm | Monday, October 21, 2024

VIA ZOOM

Both principal investigators (PI's) and departments, as well as colleges have a “track record” and a history of where they have applied, where they were successful, where they do not yet have success, and opportunities to diversify their funding targets. This workshop will provide an overview of how to assess their portfolios and specific recommendations for diversification or continued pursuit of funding sources.

Presented by **Warren Burggren, PhD**, Global Proposal Solutions

- » 45 years of continuous federal and private funding
- » Current Researcher with active NSF, NIH, and Corporate collaborative projects
- » Former Provost and VP for Academic Affairs at R1 Research Intensive university
