INTRO TO CAYUSE

10:00 am - 11:30 am | Friday, November 22, 2024
VIA TEAMS

This course is designed to instruct new users how to navigate through Cayuse and submit a study for approval by the UTSA Institutional Review Board. Participants will learn what qualifies as human subjects research according to federal regulations and tips for a successful submission. Participants are encouraged to access Cayuse during the course and navigate through the site along with the instructors.

Presented by: **Shannon Marquess,** Senior Research Compliance Coordinator, Research Integrity & **Tammy Lopez**, Senior Research Compliance Coordinator, Research Integrity
